PROJECT CAFE REVIEW WEB

NAME OF PROJECT:
Cafe Review

PRESENTED BY:
Nicholas

Agenda

PRESENTASI 1

Latar Belakang

Di zaman sekarang, nongkrong di cafe bukan cuma soal ngopi, tapi sudah jadi bagian dari gaya hidup anak muda. Sayangnya, banyak dari kita kesulitan untuk menemukan café yang sesuai selera karena kurangnya platform terpercaya yang menyajikan review asli dari pengunjung.

Kita sering kali hanya mengandalkan **Instagram** atau **TikTok** yang hanya menampilkan visual tanpa ulasan mendalam soal pelayanan, harga, atau suasana.

Solusi: Sebuah platform berbasis web dengan pendekatan sosial media
